Introduction

In this study you will find in the <u>first part</u> (in colour) some dates and sites of the diving events of the Olympic Games held since 1904 (under the umbrella of the FINA since 1912) and the FINA World Championships, World Cups, FINA Diving Grand Prix and Superfinals of the FINA Diving Grand Prix .
In the <u>second part (in white for men and in colour for women</u>) appears the standings of the first three places at all events of these competitions followed by several classifications which are listed either by the number of titles or medals by swimmer or National Federation.

It should be made clear that these standings only have a historical aim and not any sportive signification because the comparison between the achievements of swimmers of different generations is always unfair for several reasons:

1. **The period of time. The Olympic Games were not organised in 1916, 1940 and 1944**
2. **The evolution of the programme. The number of events has not stopped growing.**
   Some political boycotts didn't give the opportunity to some divers to participate i.e. in 1956, 1980, 1984.

This edition may manifest certain errors; we hope that this will be remedied for the next edition with the assistance of our readers.

LIST OF ABBREVIATIONS – The abbreviations used for each National Federation are included at the end of this volume. However, for Germany, for the period of 1968-1991, the abbreviations FRG for the Federal Republic and GDR for the Democratic Republic have been used. Russia and Ukraine were part of USSR until 1991. The acronym TCH was used for Czechoslovakia (CZE + SVK).

Vous trouverez dans la <u>première partie (en couleur)</u> de cette étude les dates et lieux des épreuves de plongeon des Jeux Olympiques organisées depuis 1904 (sous l'autorité de la FINA depuis 1912) et des Championnats du Monde, Coupe du Monde, Grand Prix de Plongeon FINA et Super Finales de ces Grands Prix.

Dans la <u>seconde partie (en blanc pour les hommes et en couleur pour les femmes)</u> figurent les classements des trois premiers de toutes les épreuves de ces compétitions puis plusieurs classifications par nombre de titres ou de médailles par nageur ou nageuse ou par fédération nationale.
Attention, ces classements n'ont qu'un intérêt historique mais n'ont pas de signification sportive car les comparaisons entre les palmarès des nageurs sont toujours injustes en fonction de divers critères :

1. Les époques – Les Jeux Olympiques n'eurent pas lieu en 1916, 1940 et 1944
2. L'évolution du programme – Le nombre d'épreuves n'a cessé d'augmenter
3. Des boycotts politiques ne permirent pas à certains athlètes de défendre leurs chances ainsi en 1956, 1980, 1984.

Cette édition peut comporter quelques erreurs; nous espérons avec l'aide de nos lecteurs y remédier dans l'édition suivante.

LISTE DES ABREVIATIONS – La liste utilisée pour chaque Fédération Nationale figure à la fin de ce fascicule. Cependant pour l'Allemagne, pour la période 1968-1991, les abréviations FRG pour la République Fédérale d'Allemagne et GDR pour la République Démocratique ont été utilisées. La Russie et l'Ukraine faisaient partie de l'URSS jusqu'en 1991. L'acronyme TCH fut utilisé pour la Tchécoslovaquie (CZE + SVK).

OLYMPIC GAMES / JEUX OLYMPIQUES **– 1904-2004**

Since 1896, the Olympic Games have been organised 25 times. The next editions will take place in in Beijing (CHN) in 2008 (August 8-24) and in London (GBR) in 2012 (July 27/August 12). / Depuis 1896, les Jeux Olympiques ont été organisés 25 fois. Les prochaines éditions auront lieu du 8 au 24 août 2008 à Beijing (CHN) puis en 2012, du 27 juillet au 12 août à Londres (GBR).
