## MESSAGE FROM THE FINA PRESIDENT

It is my great pleasure to present you the **FINA Women's Water Polo World League 2010**, which will be played from May 17, 2010 (start of the preliminary round in Americas) until July 3, 2010 (end of the Super Final, in San Diego, California, USA).

The 2010 edition of the World League is highlighted by the participation of 18 national teams – Australia, Brazil, Canada, China, France, Germany, Great Britain, Greece, Hungary, Italy, Japan, Kazakhstan, Netherlands, Puerto Rico, Russia, South Africa, Spain and USA. Moreover, one preliminary tournament is held in Americas, two in Asia and four rounds of games in Europe, thus demonstrating the universality of this League and the interest of many cities in hosting the games of the competition. The Super Final is scheduled to take place in San Diego (California, USA), from June 28-July 3, 2010.

The coexistence of powerhouses in the sport with emerging nations that are fighting hard to develop the sport in their territory reinforces one of the FINA's goals over the last years: to attract a new and larger public and to ensure a wider TV audience for this spectacular discipline (the oldest team sport in the Olympic programme).

I take this opportunity to express my gratitude for the continuous support and enormous professionalism to the Organisers, National Federations, athletes, coaches and officials participating in the 2010 edition of the **FINA Women's Water Polo World League**. The assistance of the sponsors, media representatives and spectators is also essential in promoting water polo worldwide.

I wish the participating teams all the luck and the best to win.

# Specific Rules

## **COMPETITION SYSTEM**

Preliminaries: The competition will be played with a tournament system, with two tournaments for the Americas, two for Asia & Oceania, and two tournaments for Europe. A Super Final with eight teams will conclude the event.

Super Final: Two (2) teams from the Americas tournament, two (2) teams from the Asia & Oceania tournament and four (4) teams from the European tournament will qualify. The host National Federation organising the Super Final will automatically qualify.

## **Points Awarded per Match to each Team**

The following points will be awarded per match to each team.

- Match won: 3 points
- Match won by penalty: 2 points
- Match lost by penalty: 1 point
- Match lost or forfeited: 0 point

## **In the case of a tie in Preliminaries and Super Final Games**

- In all the matches there will be a winner
- If at the end of a fourth quarter the two teams resulted in a tie, the winner shall be resolved by each shooting five penalty shots from 5m at the same goal in alternate succession. The first team shall take its first penalty shot and then the other team shall take its first penalty shot, etc. If a tie shall exist after that procedure, each team shall then take alternate shots until one team scores and the other misses. Different members of the team must shoot each shot.
- All the penalties must be shot from the 5m line.

## **Game Duration**

- There will be four (4) periods of eight (8) minutes each
- There will be a two minute break between periods 1-2 and 3-4
