Introduction

In this study you will find a presentation of the Olympic and World FINA Synchronised Swimming Events with the standings of the first three places at all events of these competitions followed by several classifications which are listed either by the number of titles or medals by swimmer or National Federation.

It should be made clear that these standings only have a historical aim and not any sportive signification because the comparison between the achievements of swimmers of different generations is always unfair for several reasons:

1. The period of time with different calendars
2. The evolution of the program especially the Olympic programme and the successive additions to the FINA programme.
3. Political boycott didn't give the opportunity to some athletes to participate in 1984 Olympics.

This edition may manifest certain errors; we hope that this will be remedied for the next edition with the assistance of our readers. The FINA Secretariat would be happy to receive any amendments or notification of inaccuracies concerning this brochure.

Vous trouverez dans cette étude une présentation des épreuves de natation synchronisée des Jeux Olympiques, des Championnats du Monde et Coupe du Monde avec les classements des trois premiers de toutes les épreuves de ces compétitions puis plusieurs classifications par nombre de titres ou de médailles par nageuse ou par fédération nationale.

Attention, ces classements n'ont qu'une signification historique mais n'ont pas de signification sportive car les comparaisons entre les palmarès des nageurs sont toujours injustes en fonction de divers critères :

1. Les époques avec différents calendriers
2. L'évolution du programme notamment du programme olympique ainsi que les additions successives au programme FINA.
3. Un boycott politique ne permit pas à certains athlètes de défendre leurs chances aux JO 1984.

Cette édition peut comporter quelques erreurs; nous espérons avec l'aide de nos lecteurs y remédier dans l'édition suivante. Le Secrétariat de la FINA serait heureux de recevoir tout amendement, correction ou précision concernant cette brochure.
