PR 36 - FINA statement on Ms Yulia Efimova (RUS)

FINA Communications Department

Considering the provisional suspension imposed by FINA to swimmer Yulia Efimova (RUS) and the recent WADA

recommendations on the use of Meldonium, the FINA Doping Panel decided **to maintain** the provisional suspension of this

athlete, until a hearing of Ms Efimova is held by the FINA Doping Panel.

FINA will not make any further comments on this case, until a final decision is made by the FINA Doping Panel.
