

Official Mascot Hangzhou(CHN) 2018

The brand mascot for this event is **Jelly**, the Jellyfish.

Jellyfish symbolized of acceptance and faith as they are made of 95% water and sensitive to water energy, those features share similarity with Hangzhou that the city is perfectly combining with nature and its surrounding environment.

Meanwhile, jellyfish mean balance and dashing , the way they swim, they squeeze their body in order to push jets of water to propel forward, just like how swimmer doing breaststroke.

Our mascot for FINA 2018 is called Jelly is a friendly but curious guy who swimming freely in the water to explore new area.
