

Hisamitsu - Official FINA Partner

Hisamitsu Pharmaceutical has been engaged in the pharmaceutical industry since 1847 and has in the meantime become one of Japan's leading companies and health campaigners through its providing medicines, in particular external pain relief patches.

Patches can be easily applied to the body to provide relief; can improve administering of drugs and helping to deliver a better quality of life. This is a feature of Japan's therapeutic culture that we are proud to expand to the world.

Our company mission is to "Promoting Patch Treatment Culture Worldwide", and our corporate philosophy, focusing on global expansion, is to "Deliver a Better Quality of Life to the World".
