In the finals, the panel of judges shall consist of judges whose nationality is different to that of any of the participating divers, if available.

A Federation taking part in a FINA DGP meet with a team of four (4) divers or more should bring a judge; the judge might, however, also serve as a coach provided that this is not for an event where he/she is judging. A Federation that does not bring a judge will be fined 250 Swiss Francs payable to FINA.

6. QUALIFICATION FOR FINA DIVING WORLD SERIES 2019

The diver ranked first (1st) in each individual event, having completed at least three Grand Prix Events in 2018, will be invited to the FINA Diving World Series 2019.

In the event that the first (1st) ranked diver has already received a direct qualification to the Diving World Series at the event designated in the Rules and Regulation of the Diving World Series, the place will be offered to the next ranked diver in that event.

Should the first (1st) second (2nd) and third (3rd) ranked diver in an individual event be qualified to the Diving World Series there will be no further invitation made by FINA

If a country has already 2 qualified divers at the designated event for the Diving World Series, then there will be no further Grand Prix qualification possible for that country.

If two or more divers have the same number of ranking points (three best results), the diver will be selected, who has the highest overall Grand Prix Ranking points. If there is still a tie, the diver with the highest total score points (all legs attended) will be invited.

The Grand Prix Ranking will be determined by the FINA Grand Prix ranking system:

Individual Events: 35, 33, 31, 29 etc.

In the case of 10 or more National Federation attending the event, 3 additional points will be given.
