RE: FINA Advertising Rules – FINA World Junior Swimming Championships – Indianapolis (USA) 2017

Dear Sir/Madam,

Please allow us to provide you with some information in relation to the official swimming caps to be produced and worn by swimmers participating at the FINA World Junior Swimming Championships – Indianapolis (USA) from August 23-28, 2017.

All manufacturers sponsoring and/or supplying swimming caps to FINA National Member Federations should produce the swimming caps for the respective Federation in accordance with the design template attached and the specifications set out below.

These rules are based on the FINA Rules BL 7.1.2 (caps) as per FINA Handbook:

- One (1) manufacturer's logo of a maximum size of 20cm² (**when the cap is not being worn**) on the front.
- One (1) flag and country name (code) of the size of 32cm² may be printed on the **left side** of the cap when worn.
- The athlete's name of the size of 20cm² may also be printed on the **left side** of the cap.
- On the right side, please keep blank this space, clean of any advertising logos

Please take the necessary steps to produce the official swimming caps for the FINA World Junior Swimming Championships in Indianapolis 2017, in accordance with the Rules set out above.

We would appreciate receiving layouts of your Federation's/Supplier's application of this design template for review at your earliest opportunity but no later than **1 July, 2017**.

Please note that FINA will provide caps (without any swimmer's name, flag and country code) free of charge to swimmers not receiving swimwear from any manufacturer through an agreement with his/her FINA National Member Federation. Each swimmer will receive **1 (one) cap only, which will have to last for the whole duration of the competition.**
