Water Polo Men: Day 3: MNE 23 NZL 1

FINA Communication Department

Montenegro completely outplayed a youthful New Zealand 23-1 for a second win in Group A. The Montenegrins showed the Kiwis just how to play the game at speed and punished poor attacks with vicious counter attacks for easy goals. Later in the game New Zealand tightened up defence somewhat and limited the potent attack. However, at times, defenders found themselves stranded and an early tackle on a player was not followed through, allowing the attacker to emerge with the ball and score.

The Montenegrins were masters of the turn and made much of the space available and had time to receive accurate passes to score.

Aleksandar Iovic relished the opportunity to pour in goals and use his sprint speed to excellent effect. He scored in each quarter for a total of six, lifting his championship tally to 10. Captain Nikola Janovic scored his four goals in the first half, including two of the first three as Montenegro established itself early.

New Zealand's single goal came from Adam Pye from 7m and goalkeeper Thomas Kingsmill can be proud of his seven saves.

FLASH QUOTES:**Nikola Janovic (MNE):**

“We held the game and it was far better than our score against Spain and Greece, so I am very happy.”

Sasa Misic (MNE):

“We have yet to see who we are playing against next, but our team is now ready for great things in this tournament.”

Ranko Perovic (MNE Head Coach):

“We expected this game to be easy. The score is less important than the win, but nearly all the players scored at some point in the game which is great.”

Andrew Sieprath (NZL):

“It was a tough game playing against Montenegro — they are always difficult opponents. It is an honour to play such a great

team and a fantastic experience for all the young players. We have to continue to train hard and use our strategy, which we had in the second half rather than the first.”

Eamon Lui-Fakaotimanaua (NZL):

“We are disappointed because we did better against Greece. Montenegro is a strong team and our young players did the best they could.”
