## PR3 - Chinese sweep victories at the start of the season

FINA Communication Department

The first meet of the 14th FINA Diving Grand Prix 2008, held from January 18-20, 2008 in Madrid (ESP), was marked by Chinese victories in all eight events of the competition. After their domination in 2007, the Chinese champions started their final road towards the 2008 Olympic Games at home in Beijing next August, in the best possible way. In Madrid, the main challengers of the Chinese divers were, amongst men, the Germans, British and Ukrainians, while in the women's field, representatives from Canada, Ukraine and Great Britain also got medals.
