November 30, 2018

The **FINA World Junior Open Water Swimming Championships** gives our young open water swimmers an opportunity to compete at the highest level.

The three-day competition draws boys and girls between 14 and under the age of 19.

The first edition was organised in Welland (CAN) in August 2012. The second edition was organised in Balatonfüred (HUN) in 2014.
