## Doping Offence - Subrata Nandi (IND)

FINA Communication Department

On July 25, 2016, the swimmer **Subrata Nandi (IND)** was tested positive to the prohibited substance 19-norandrosterone,

metabolite of **Nandrolone or its precursors (Class S.1.1.A Exogenous Anabolic Androgenic Steroids)** following an in-competition doping control test conducted on the occasion of the 65th All India Police Aquatics Championships 2016.

The Indian Anti-Doping Disciplinary Panel imposed a sanction of **four (4) years' ineligibility** on the athlete starting on August 17, 2016, the day of his provisional suspension.
