The biggest surprise of the World Youth Championships in Belgrade, so far! Italy played extraordinarily in the second quarter. Goalkeeper Caterina Banchelli was the dominant advantage of the Italian team before the end of the second quarter when Italy led 5:2. After four minutes of playing in the third quarter, Italian lead even increased to 6:2! Americans then tried everything to overcome the situation. By the end of third quarter, USA scored two goals. In the first five minutes of final quarter, Abrielle Hill and Honnie Vandeweghe-O'Shea managed to score to 6:6. It was 3.11 minutes to the end. In a very exciting finish, Lucrezia Cergol score a goal for Italy only 43 seconds before the end.

The subsequent attack of the American side was disorganised, they lost the ball and Italians could keep the advantage until the final whistle.

Great victory of Australia! Also, very bad day for the Netherlands, whose players missed even two penalty shots and couldn’t score any goals from six extrawomen situation. In a very balanced match, Australian kept control of the game all the time. The Dutch have repeatedly had a one goal lead, but players of Australian coach Damjanovic always managed to overcome the advantage. At the end of the third quarter, Abby Andrews took Australia to lead (7:6), which was boosted by Jamie Oberman at 2.40 until the end. There was no change anymore. Goalkeeper of Australia, Lily Hawton was decisive in front of her goal.
