All eyes on the price for Germany

Germany was facing Australia during the last game of the preliminary phase on Thursday night and it was a tough fight. After a strong back and forth between the two teams, Germany had to suffer a tight 9:10 (1:2, 3:3, 3:3, 2:2) loss. However, due to the better goal difference in comparison to Hungary and Australia, the German team could defend their leading position in group A. As the group champion, they now have the chance to get one of the sought-after tickets to the World Championships 2019 in Gwangju if they win against South Africa on day four of the World Cup in the quarter-finals.

“We knew it was going to be tough, a tie would have been the fairest result”, stated national team coach Hagen Stamm. “Considering our group members, no one was expecting the leading position. I believe that we will be able to beat South Africa in the quarter-finals and therefore qualify for the World Championships”.

From the German team, six players could score during this exciting game including Julian Real, Marko Stamm and Dennis Eidner with two goals each. Joa Kayes from Australia scored no less than five goals during this game.
