The Doping Control Review Board (DCRB) shall consist of eight persons appointed by the Bureau. A majority of the members shall be qualified in the field of forensic medical science, forensic pharmaceutical science, forensic toxicology or as forensic chemists, forensic anaesthesiologists or forensic pathologists. The余 members shall be qualified in doping control or analytical chemistry or equivalent expertise. They shall be appointed to ensure an appropriate geographical distribution.

The DCRB may review and make recommendations to the Bureau regarding FINA's doping control programme and may make recommendations to the Bureau on the conduct of FINA's doping control activities. The DCRB shall have all the powers and duties conferred on it by FINA and other international sporting organisations. The DCRB shall be responsible for approving the Therapeutic Use Exemptions on behalf of FINA in accordance with the FINA Doping Control Rules and WADA Code.
