MESSAGE FROM THE FINA PRESIDENT

Dear Friends,

2016 foresees another thrilling year for open water swimming and hopefully the **10th FINA/HOSA 10km Marathon Swimming World Cup** will register a new record of participation with more and more marathon swimmers answering the call of open water.

This year's Series includes seven meets taking place in some of the world's most scenic waterways in six different countries (Argentina, United Arab Emirates, Hungary, Canada, China and Hong Kong). As in the past years, I strongly believe that the performances will be tremendous and the races intensely hard-fought.

Thanks to the effort and work of the Organisers, the competition will most certainly be a success. Moreover, the commitment of the local authorities, sponsors and media representatives is a key factor in the promotion of this competition in particular and this discipline in general. On this occasion, I would like to express my gratitude to all those involved in the organisation of this event.

China's swimwear company Hosa will remain the Title Sponsor of the series until 2017. Thanks to this partnership which started in 2015, the prize money for the men's and women's Series overall winners is of USD 180'000.

FINA, together with the National Federations and Organisers of the FINA/HOSA 10km Marathon Swimming World Cup 2016, is driven by a common desire: to promote in the best possible way the performances of our marathon swimmers, thus reinforcing the impact of open water swimming worldwide.

I wish all the luck to the participants and the best to win!

Dr. Julio C. Maglione
FINA President
