FINA PRESIDENT'S MESSAGE

It is my great pleasure to welcome all participants to the fifth edition of the FINA High Diving World Cup, taking place in Abu Dhabi (UAE), on November 9-10, 2018.

On this occasion, the world's best high divers will once more demonstrate the attractiveness and growing popularity of the youngest FINA aquatic discipline.

After the success of the fourth previous editions of the FINA High Diving World Cup, firstly in 2014 (Kazan, RUS), in 2015 (Cozumel, MEX), and in Abu Dhabi (UAE) in 2016 and 2017, the latter host is again welcoming which is set to be another milestone for the sport and will certainly generate a lot of interest around the world.

The 2018 edition of the World Cup will surely be highlighted by breath-taking performances which combine skills, power and acrobatics.

Abu Dhabi, organising the World Cup for the third consecutive time, as proven to be an excellent partner and I would like to express my deepest gratitude to the UAE Swimming Association, the local authorities in Abu Dhabi and the Organising Committee of the event, for their involvement, professionalism and strong support in the set-up of the fifth FINA High Diving World Cup.

I also thank all our partners and sponsors, as well as the media representatives for their contribution to the promotion and successful exposure of this competition.

The commitment and enthusiasm of all those involved in this organisation will certainly make this World Cup a memorable event.

I wish the athletes all the luck and the best to win in Abu Dhabi!
