The tournament consists of a preliminary competition, two (2) semi-finals with six (6) divers in each and a final with six (6) divers. Semi-final "A" comprises the divers ranked 12-10-8-6-4-2 and Semi-final "B" comprises the divers ranked 11-9-7-5-3-1 in the preliminary competition, however not more than two (2) divers from the Organising Federation may be counted among these twelve (12) divers.

The named diver ranked first (1st) in each individual event, having completed three Grand Prix Events in any one year will be invited to the FINA Diving World Series 2020.

In the event that the first (1st) ranked diver has already received a direct qualification to the Diving World Series at the event designated in the Rules and Regulation of the Diving World Series, the place will be offered to the next ranked diver in that event.

Should the first (1st) second (2nd) and third (3rd) ranked diver in an individual event be qualified to the Diving World Series there will be no further invitation made by FINA

If a country has already 2 qualified divers at the designated event for the Diving World Series, then there will be no further Grand Prix qualification possible for that country.

If two or more divers have the same number of ranking points (three best results), the diver will be selected with the highest ranking points (all legs attended). If there is still a tie, the diver with highest total score points (all legs attended).

The Grand Prix Ranking will be determined by the FINA Grand Prix ranking system:

Individual Events: 35, 33, 31, 29 etc.

In the case of 10 or more National Federation attending the event, 3 additional points will be given.

The qualified divers of the Diving Grand Prix will receive no financial subsidy to compete at the Diving World Series, but are eligible for Local Prize Money and Overall Prize Money (if competing in all legs of the Diving World Series).
