Games 1 through 24 must be played to a conclusion; accordingly it may be necessary to apply the Water Polo Rules for Penalty Shoot-out. Please note that the Management Committee of FINA Competitions may change the order and schedule of games to meet with the requirements of the Host Federation and/or television.
4. SPECIFIC WPWL RULES

4.1. Field of Play

The Field of Play (FOP) for Men shall be 30 x 20 metres and for Women 25 x 20 metres. (FINA rules shall be applied regarding the equipment and set up.) The width of the field of play shall be not less than 10 metres and not more than 20 metres (WP 1.4). This in relation to create a Lateral Substitution Area (Flying Substitution Area). For example if a Field of Play is exactly 20 meters, there will be no objection to use extra lines to narrow the FOP with 50 cm. on each side, so the width of the FOP will become 19 meters.

4.2. Points Awarded

The following points will be awarded per match to each team:

- Match won: 3 points
- Match won by penalty: 2 points
- Match lost by penalty: 1 point
- Match lost or forfeited: 0 points

4.2.1. In the case of a tie in Preliminaries, Semi Finals and Final Games:

- In all the matches there will be a winner.
- If at the end of a fourth quarter the score is tied, then the winner shall be resolved by each team shooting five penalty shots from the 5m line in alternate succession. The first team shall take its first penalty shot and then the other team shall take its first penalty shot, etc. If a tie shall exist after that procedure, each team shall then take alternate shots until one team scores and the other misses. Different members of the team must shoot each shot.

4.2.2. Tie Breaking Rule:

If two (2) teams shall have equal points following the Preliminary Rounds, and the Round Robin Competition for the numbers three from the groups, a further classification shall be established as follows:

Rules applied according to FINA BL 9.8.3.

- The team winning the games between them shall be placed higher.
- If the game between them was tied, then the results against the highest placed team(s) in the group shall be considered.
- The first comparison shall be based on goal difference, and if still tied, then based on goals scored.
- For the purpose of calculating either goal difference or goals scored, the goals in any penalty shoot-out will not be taken into consideration.
4.3. **Forfeited Games**

If a team declares a forfeit or is disqualified for one (1) or more matches, the match or matches shall be awarded to the opponent with a goal score 5 - 0.

4.4. **Game Duration:**

- 4 periods of 8 minutes each
- 2 minute break between periods 1-2 and 3-4
- 3 minute break at half-time

4.5. **Players:**

- For each match or tournament in the Preliminary Rounds and the Super Final, each team shall present a list of thirteen (13) players plus two (2) substitutions; (should the tournament be played in a double round robin, each round will be considered as one tournament, accordingly consistent with the above a team is able to present a list of 13 players plus two (2) substitutions for each tournament).

4.6. **Display of Timing & Scoring**

- The Timing and Scoring System is to be provided by each HF/LOC (Host Federation/Local Organising Committee) for the WPWL Preliminary Rounds and the Super Final.
  - The minimum requirements are the following:
    - To show the result, the period, the remaining time, the players, number of exclusions, number of requested time-outs
  - The ideal requirements are the following:
    - Number of goals per player, real time statistics, goal scorer, event name, logos, live picture of the TV broadcast

4.6.1. **Live Scoring**

- Each organiser should operate a live scoring system. The software is provided by FINA. The OC should allocate two persons per game to operate the system. A tutorial video will be provided. (TBD)
5. **REFEREES:**

5.1. **Preliminary Games (European Qualification Round 1-2)**

The Neutral Referees will be nominated by FINA TWPC Commission. The HF/LOC must cover the expenses related to the accommodation and meals. The travel expenses have to be arranged and covered by the National Federation that the referee is representing. FINA pays a fix amount of 350 EUR contribution to their travel expenses which includes flight tickets, transport to the airport from home, car parking, VISA, insurance, extra bookings, etc.

In this event the HF/LOC shall not appoint any competitor of Malmsten as a sponsor of the Event nor provide any competitor of Malmsten with any form of branding or identification at the Event on any products within the Malmsten Product Category. The HF/LOC may use his own material of the Malmsten Product Category provided that it has to be unbranded.
10.3. Signage
11. **Broadcast**

11.1. **Broadcast Rights:**

- For the Preliminary round games only, the HF/OC may exploit the linear TV broadcast rights both in the host country and internationally. The HF/OC may however not exploit or grant the exploitation of any digital broadcast rights including streaming on any website or social media platforms (e.g. YouTube) without the prior written approval of FINA.
- For the Super Final, the HF/OC may only exploit the domestic linear TV broadcast rights (i.e. limited to the host country only). The HF/OC may however not exploit or grant the exploitation of any digital broadcast rights including streaming on any website or social media platforms (e.g. YouTube) without the prior written approval of FINA.
- For the Preliminary round games and the Super Final, any income from the exploitation of the linear TV broadcast rights granted by FINA to the HF/OC will be retained by the HF/OC.
- All international broadcast rights for the Super Final will be marketed centrally by FINA through its agent Eurovision/EBU.

11.2. **Broadcast Coverage:**

11.2.1. **Preliminaries:**

For Preliminary round games, the HF/LOC are obliged to secure TV production of the games, and to exploit the rights in the host country, and the opponent’s country, at minimum.

- The HF and/or LOC must provide FINA with an RTMP live stream (“Live Stream”) in H264 format at a bitrate of at least 5Mbs, of all home games to be shown on FINA.tv, FINA’s online digital OTT platform. Such Live Stream may be achieved with min. three (3) manned-cameras, mounted high above the centre line, on the pool deck level in the middle and behind one of the goal, following the action in the pool, however an even higher level of production with more cameras is welcomed.

- The HF and/or LOC shall also provide FINA with at least 10 minutes of high definition TV Footage (“Footage”) of highlights from each game, as well as the pre- and post-game interviews with coaches/players, in a digital format to be agreed with FINA.

- The HF and/or LOC shall confirm in writing to FINA the production of such Live Stream and Footage no later than thirty (30) days prior to the beginning of the Event.

- In the event that the HF and/or LOC does not confirm the production of the Live Stream and Footage by the deadline, FINA retains the right to appoint an entity to produce the Live Stream and the Footage at the cost of the HF and/or LOC.

- No later than three (3) days after the end of the Event, the HF and/or LOC shall deliver such Footage free of charge (marketing@fina.org or peter.hall@fina.org) and in a broadcast quality format (e.g. DNxHD or...
H.264/MPEG4) to be agreed in advance with FINA.

- FINA shall have the right to broadcast and exploit the Live Stream and Footage worldwide and by any means.

- The live streaming signal is to be provided only for FINAtv. The OC cannot stream on any digital platforms (YouTube, FaceBook, etc). The exception is the Preliminary Game Phase (European Qualification Round 1-2) where the games can be streamed onto one digital platform which is in the ownership and under the edition of the HMF and/or OC, but geo-blocked to be viewable only in the country where the game is taking place.

11.2.2. Super Final:
For all rights and obligations, please refer to the Staging Agreement.
The HF/OC shall provide a live and continuous TV production of all games in accordance with the FINA TV Guidelines, incorporating live images in HD format, slow-motion replays and international sound in stereo (“TV Signal”).

- Minimum number of cameras, following FINA’s standard camera plan (see Appendix 4).

- Game data graphics package in English.

- FINA’s opening and closing sequence must be featured at the beginning and closing of each game broadcast and the FINA replay swipe shall be used for all transitions between live and replay action. (Files available for download from FINA’s online brand platform: www.fina-brand.com).

- The HF/OC shall also provide or procure that its appointed host broadcast production company shall provide:

  - Access to the TV Signal free of charge at the event site to FINA and/or its appointed agents
  - Details of the broadcast format of the TV Signal and broadcast running order.
  - Provision of commentary positions and assistance for other TV rights holders, if required, and at their cost according to a rate card approved by FINA.
  - The HF/OC shall cooperate fully with FINA and Eurovision/EBU for its on-site operations in relation to the international TV signal, as requested by FINA.

11.3. FINAtv OTT Platform: Live Event Streaming Requirements:

11.3.1. FINAtv:
FINA has appointed Deltatre as its partner for the management and operation of its OTT platform: FINAtv. Deltatre will coordinate directly with FINA event hosts on the technical set-up of the live streams for the FINAtv platform.

11.3.2. Basic ingestion:
Based on the available outbound bandwidth, choose the highest quality from below that you can reliably stream. Deltatre will automatically create all of the lower qualities. e.g. If you have 10M dedicated bandwidth for your encoder, you could safely choose to stream 1080p quality.

<table>
<thead>
<tr>
<th>Outbound bandwidth</th>
<th>Quality</th>
</tr>
</thead>
<tbody>
<tr>
<td>&lt; 5Mbps</td>
<td>720p</td>
</tr>
<tr>
<td>5Mbps – 10Mbps</td>
<td>1080p</td>
</tr>
</tbody>
</table>

11.3.3. Select your Encoder:

Deltatre supports encoders creating RTMP video streams. The encoder shall be configured to send a single bitrate mezzanine stream to the cloud where it will be converted to adaptive streaming (multiple bitrates). Possible software encoders are Adobe FMLE (free download: https://adobe-flash-media-live-encoder.en.lo4d.com), Wirecast, Wowza or Teradek and Elemental in Hardware. Please note that it is not possible to embed another media player in the FINAtv platform, a dedicated live stream must be provided.

In order to be compatible with the Deltatre ingest service, each encoder should be configured in the following way:

11.3.4. Encoder settings:

- Protocol: RTMP Flash Streaming H.264, 4.1
- Video Codec: H.264, 4.1
- Frame Rate: up to 60 fps
- Keyframe frequency: do not exceed 4 seconds
- Audio Codec: AAC
- Bitrate encoding: CBR
- Video bitrate: up to 10Mbps
- Pixel Aspect Ratio: Square
- Frame Types: Progressive Scan, 2 B-Frames, 1 Reference Frame
- Entropy coding: CABAC
- Audio sample rate: 48 KHz (alternatively 44.1 KHz)
- Audio bitrate: 256 Kbps stereo (can be reduced if the available bandwidth is not sufficient, but not less than 128 Kbps)

11.3.5. Points of Contact:

All communication concerning the technical aspects of the live streams, including conducting tests, should be addressed to Andrea Bava andrea.bava@deltatre.com and should be provided at least 5 working days prior to the start of the event.

If there is any change to the competition schedule (e.g. any delay, postponement or cancellation for any reason) which impacts the live stream, or any technical issue occurs during the live stream, please immediately communicate the details to finatv/operators@deltatre.com, and on Skype: d3.diva.support
