# MESSAGE FROM THE FINA PRESIDENT

Dear Friends,

2019 foresees another thrilling year for open water swimming and hopefully the **13<sup>th</sup>** ***FINA Marathon Swim World Series 2019*** will register a new record of participation with more and more marathon swimmers answering the call of open water.

This year's Series includes ten meets taking place in some of the world's most scenic waterways in nine different countries (Qatar, Seychelles, Hungary, Canada, Macedonia, China, Chinese Tapei, and the United Arab Emirates). I strongly believe that we will witness outstanding performances across all the high-profile races of the circuit.

This year's Series partner with sponsor HOSA increasing the profile of the highly coveted competition and therefore increasing the media interest further.

Thanks to the effort and work of the Organisers, the circuit is a hugely successful year after year. Moreover, the commitment of the local authorities, sponsors and media representatives is a key factor in the promotion of this competition in particular and this discipline in general. On this occasion, I would like to express my gratitude to all those involved in the organisation of this event.

FINA, together with the National Federations and Organisers of the ***FINA Marathon Swim World Series 2019***, is driven by a common desire: to promote in the best possible way the performances of our marathon swimmers, thus reinforcing the impact of open water swimming worldwide.

I wish all the luck to the participants and the best to win!

Dr. Julio C. Maglione  
FINA President

There will be one start for the Men's race and one start for the Women's race

For races of more than 50 swimmers the FINA Delegates shall have the discretion to split the start of the race.

The order of starts for the swimmers will be designated based on the FINA 10km Marathon Swimming World Cup Rankings of the previous year. The swimmers who did not participate previously at this event will be the last to start.

**Points System:** In each Event, points will be awarded to the swimmers depending upon their race finishing position. Swimmers may accumulate points at each Event in which they participate and finish, with their total points counting towards the overall final rankings for each year.
